We nurture the emotional resilience and empathy required to act for the common good, while promoting physical health and a collaborative spirit. Ultimately, we instil a lifelong love of learning and a true sense of global citizenship - giving our students the confidence and integrity to shape a better future.

Karachi Grammar School Student Profile

Rooted in Heritage, Ready for the Future

Since 1847, Karachi Grammar School has shaped generations of learners under the motto *Inducti Discant* - let the seekers learn. Our student profile reflects this enduring commitment to intellectual growth, moral courage, and service to others, creating a portrait of the Grammarian that honours our past while preparing for an interconnected world.

The KGS Grammarian is:

1. A Critically Engaged Scholar

A Grammarian just does not consume information; they interrogate it. They seek out challenges, and strive for the highest standards of academic rigour.

2. The Principled Leader

A Grammarian leads by example, making ethical decisions even when no one is watching. They take ownership of their actions and their impact on others.

3. The Empathetic Global Citizen

A Grammarian possesses a deep-seated respect for diversity and an active desire to alleviate the struggles of others. They understand that they are part of a wider human story.

4. The Resilient Self-Starter

A Grammarian understands that excellence is a habit, not an act. They are self-disciplined and organised, managing a demanding workload, and believing in their capacity to grow.

5. The Articulate Communicator

A Grammarian can express complex ideas with clarity and grace, ensuring their voice is used to build bridges rather than walls.
